You're a hilarious dude. I still faintly remember joking about your preacher presentation in Health. I hope to have classes with you next year. If you get a good poker game going/maybe call me up - 496-3278

Connor,

We made it! We survived Melvin's class. I had some serious doubts if we were going to make it, but we did. I'm so glad that there was another non-genius in my class this year. And a person who did less reading that I did, that's impressive. I'm glad that you chose to be in dual next year so hopefully we can be worthless together in yet another English class. Thanks for all the great moments. I'll see you a lot this summer at the pool. Senior year! Finally!

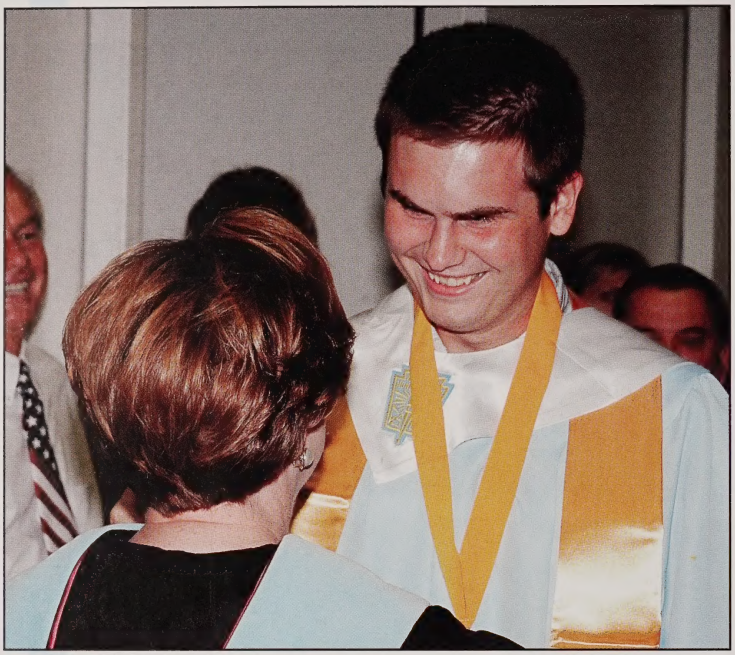
Graduation and Prom
[unforgetable]



Receiving his diploma, Nick Rister shakes Dr. Hazel Jessee's hand. Hazel Jessee knew that she was losing many great Patriots like Nick that year.

Talking to the graduates, Dr. Hazel Jessee reflects on the years. Dr. Jessee assured all the seniors that they would make their mark in society in the years to come.

Trying to contain their excitement, these seniors finally get to look at their professional prom portraits. Jostens used this technique in order to make it easier for seniors to remember their special night.

Dressed for their final dance, this group from the class of 2004 takes their last Kodak moment before heading to the dance. The night was filled with memories that would be remembered throughout their life.

Waiting for his diploma, Matt Cole smiles knowing he is finally graduating. Along with many other seniors, this was both a happy and sad moment to be leaving high school.

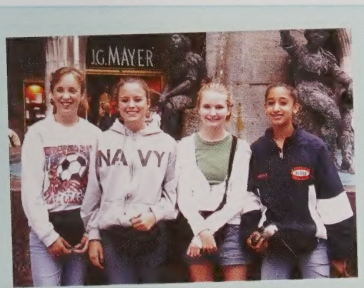
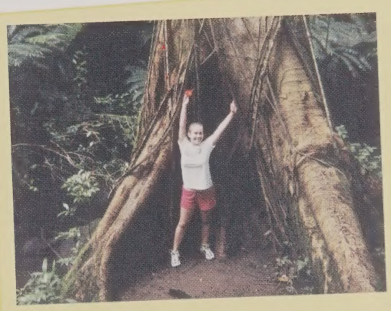
—Arthur Brisbane

With her hands all smeared in paint and a little bit of the mess on her face, Meghan Andrews prepares to smother someone else with the colors. She made crazy designs with the brightly colored paint while on vacation.



Stopping to smile for the camera, these friends enjoy a day of shopping. These four spent the day walking around in the city.



Raising up in the hollow of a large tree, Meghan Andrews appears to be the size of a small squirrel.

"Each of us has a fire in our heart for something. It is our goal in life to find it and keep it lit." - Mary Lou Retton

"Success is to laugh often and much, to win the respect of intelligent people and the affection of children; to earn the appreciation of honest critics and endure the betrayal of false friends; to appreciate beauty; to find the best in others; to leave the world a bit better; to know even one life has breathed easier because you have lived. This is to have succeeded" - Ralph Waldo Emerson

- Penguins can change salt water into fresh water
- In England, the Speaker of the House is not allowed to speak
- A rhinoceros' horn is made from compacted hair

While exercizing on the boardwalk, these girls stop to take a picture. They were known for spending a lot of time at the beach just hanging out together.

Pulling out their ears like a monkey, these girls spend their day in the wilderness acting like animals. This adventure included staying in a log cabin nearby.

Junior Varsity Football

[hopeful]

The Junior Varsity Football team had an interesting and hard-hitting season. They won some and lost some, but finished the season with their heads held high. Remaining strong through every game, the boys kept their "never say die" attitude. Both defense and offense teams worked hard and showed much improvement with every match. The boys proved they had a positive attitude that was full of hope.

Anticipating where to throw the pass, Jamel Olds looks down the field for an open teammate. Jamel's talent was his ability to move the ball down the field without a chance of interception.

Receiving a hail mary throw, this offensive player makes a run for the end zone. This play resulted in a welcomed score late in the game.

Preparing to charge the Princess Anne Cavaliers, the Patriot boys wait for the hike of the ball. Their eagerness was well rewarded as they were able to hold the line.

[sensational]

The Lady Patriots Junior Varsity Field Hockey team ended their season with a sensational record of 10-0. With the superb defense of Kristen Keith and mid-field of Brittany Waters, the girls were undefeated. Key starters were Stephanie Herman, Alex Macpherson, and Meghan Dullea. But the most memorable moment was when they defeated Salem, Coach Macomber's college coach's team.

Preparing to hit the ball down the field, Captain Kristen Keith takes a backswing. Kristen's powerful hit advanced the play for another score against the Kellam Lady Knights.

Carrying the ball down the field, Erin Ashe makes the transition to offense. Erin, a sophomore returner, made a successful pass which resulted in a score.

Taking a defensive stance, Maren MacConnell skillfully prepares to intercept the opposing team's pass. Maren was an agressive player who kept the opposition always guessing her next move.

With the season starting way back in July, the Varsity Field Hockey team got an early lead on training. Ending with a record of 6-5-0, proved this extra practice was well worth the time and effort. Key starters included Anna Kern, Maura Checchio, Amanda Windt, and Kendall Jackson, while MVP Taber Carpenter held the midfield together. Laura Kupke received the well deserved Most Improved Player for the season. The girls look forward to a new year full of goofy practices, British hockey camp coaches, and a lot more wins.

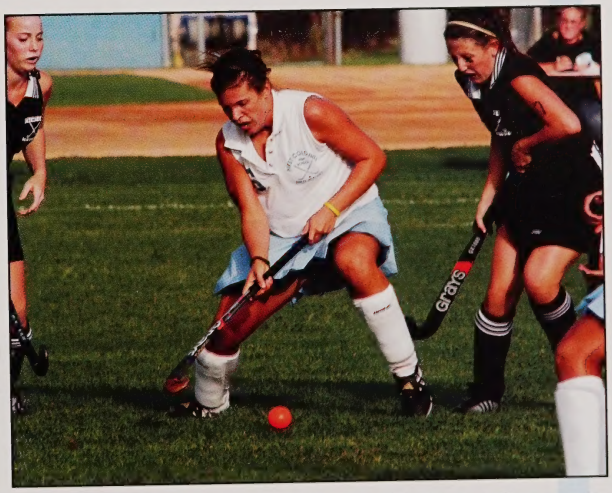
Reaching for a steal, Taber Carpenter gets the ball from a Hickory player. Taber's strong mid-field strategies held the team together in the center.

Carrying the ball down the feild, Ali Mayo works hard as a forward. Ali moved past the Kellam defenders and brought the ball to the offensive end.



Breaking through the Kellam offense, Maura Checchio carries the ball up the field. Maura was a strong defender who was always able to advance up the field.

Using a pull-right, Anna Kern executes a perfect move to get around several defenders. As a powerful mid-fielder, Anna helped transition the ball from defense to offense.

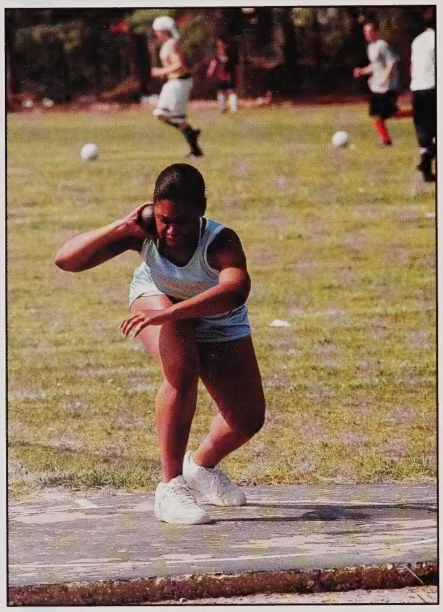
Using each other as competition, Julie Barton and Kristen Keith fight it out until the end of the race. It was especially hard to finish the last leg of a long distance race, but these girls always made it.

Sprinting towards the pit, Davi Christenson hopes to score big for th Patriots. David reached his goal of feet and 6 inches by the end of the sea son.

Chucking the shot put for all it's worth, Erika Jones helps her team inch closer to victory. Erika's strength and determination proved invaluable against Green Run.



Leaping to improve his score, Dietrich Andrews completes his long jump. Dietrich stunned the crowd with his ability in this event.

Stretching before the big match, Adriane Lanier warms up her legs. Proper preparation for a match would oftentimes determine a loss or a win.

Outdoor Track was always a fun sport to watch, come out to support, and cheer on. No matter what the weather, these patriots were always running, even if that meant running through the halls on rainy days or outside in the sizzling heat of May. Sarah Ezell helped lead the team by winning many of the top competitions. The 2004 season was very successful for this group of athletes, ending with the Patriots becoming very well known amongst other schools throughout the region. The team continued to have high hopes for the seasons to come.

The boys steadyly worked through the conditioning season which contributed to the successful season. Coach Gary Hodges recalled one of the highlights of the season, "I'll never forget the no-hitter game Andy Berry threw." The Patriots finished off the season as District Champions.

Throwing the ball for a quick out, Mike Guadanini completes the play. Whether assigned to a base or in the outfield, Mike paid close attention to the game.

You have traveled a journey from kindergarten through high school. We have watched in joy and amazement as you managed to maneuver down so many roads. It is true that we all learn from experiences in our early lives. You have been a good student of learning not only in the classroom but in life as well. While the lessons in life were sometimes tough, you always kept your head up and smiled. As parents we had eighteen teaching years to prepare you for the rest of your life, and we never thought it was long enough, the reality is that we have known for quite some time that we weren't only parents teaching, but parents being taught. You have taught each of us in this family the grace of acceptance, honor, and dignity through your quiet determination. You are a great inspiration and loving sister to Nick. On the court he says he plays for you, and you are his competitive edge and he is your biggest fan. We are proud to be your Mom and Dad.
Congratulations!

Congratulations Tiffany Leigh Robinson!!

Your beautiful presence has lightened many a room. From the moment you came into my life you have been the most precious gift. Thank you for being the source of so much joy! I could not be more proud of you-the person you have become, the adversities you have overcome. Never lose that beautiful combination of sensitivity and feistiness that you have. Your strength and grace have been an inspiration. Now the good part begins. Keep shining girl! I love you always!!!!

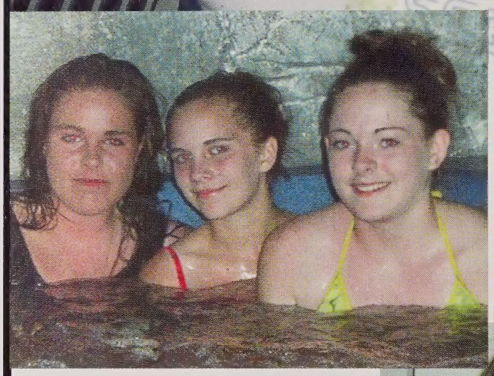
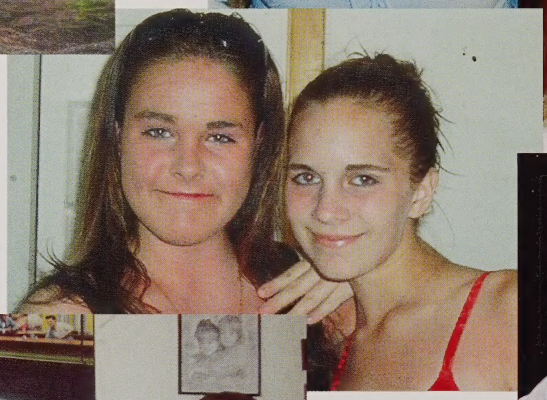
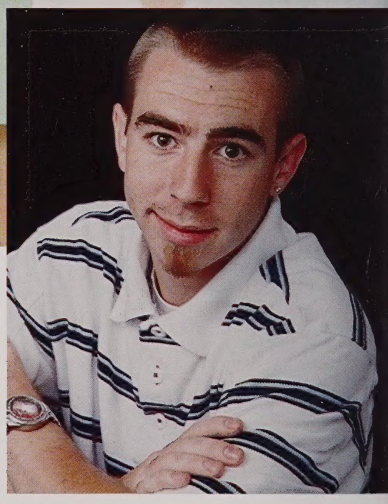
Ready, Set, Go

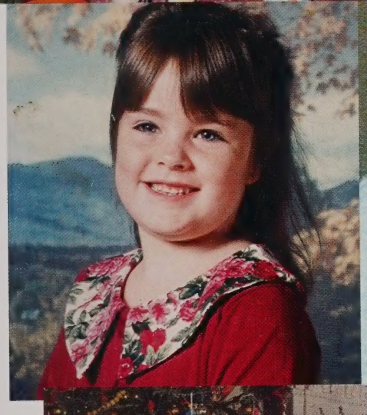
Hope you are as excited about school next year,
As you were your first year!

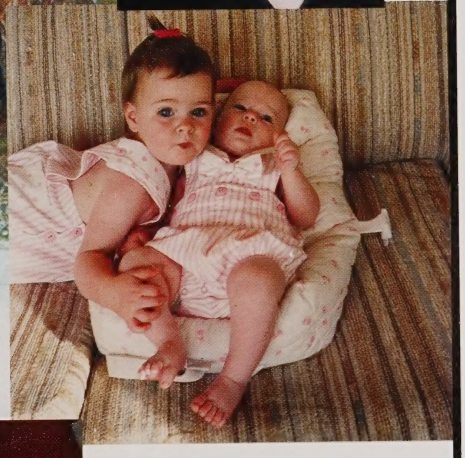
Good Luck and God Bless, Mom and Dad

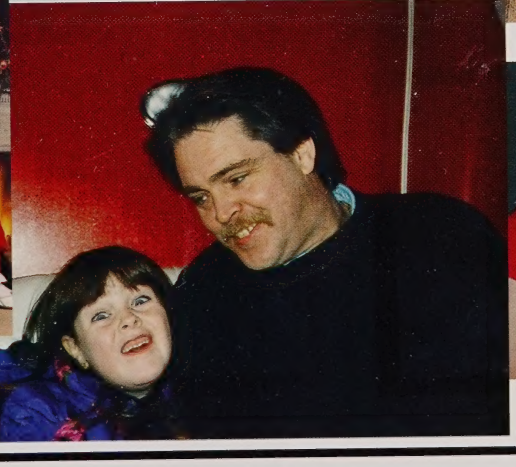












There's another world inside of me that you may never see.
There's secrets in this life that I can't hide.
Somewhere in this darkness there's a life that I can't find.
Maybe it's too far away or maybe I'm just blind, maybe I'm just blind.

So hold me when I'm here, right me when I'm wrong.
Hold me when I'm scared and love me when I'm gone.
Everything I am and everything in me
Wants to be the one you wanted me to be.
I'll never let you down even if I could.
I'd give up everything if only for your good.

So hold me when I'm here, right me when I'm wrong.
You can hold me when I'm scared but you won't always be there,
So love me when I'm gone, love me when I'm gone.
When your education x-ray cannot see under my skin,
I won't tell you a damn thing that I could not tell my friends.

Now roaming throught this darkness I'm alive but I'm alone.
Part of me is fighting this but part of me is gone.
So hold me when I'm here, right me when I'm wrong.
Hold me when I'm scared and love me when I'm gone.

Everything I am and everything in me
Wants to be the one you wanted me to be.
I'll never let you down even if I could.
I'd give up everything if only for your good.

So hold me when I'm here, right me when I'm wrong.
You can hold me when I'm scared, you won't always be there,
So love me when I'm gone.
(Maybe I'm just blind)

So hold me when I'm here, right me when I'm wrong.
Hold me when I'm scared and love me when I'm gone.
Everything I am and everything in me,
Wants to be the one you wanted me to be.

I'll never let you down even if I could.
I'd give up everything if only for your good.
So hold me when I'm here, right me when I'm wrong.
You can hold me when I'm scared, you won't always be there.
So love me when I'm gone, love me when I'm gone.

COLOPHON

The 2004-2005 edition of the Heritage contained 244 pages and was published by Jostens Printing and Publishing. Winston-Salem, North Carolina. The Jostens' representative was Mr. Joe Boocks. Lifetouch National School Studios took the underclassmen and faculty portraits, the club pictures, and the sports team and candid pictures. Some candids of sports and club activities were taken by Heritage Staff members. Prestige Studios took the senior portraits. The fonts used within this book are as follows: all body used Palatino; all pages used AYTChelsea and AYTGenuine for titles, subtitles, and folio tabs.

Color was used throughout the whole book. Tool lines were used in the sports, clubademics, faculty, and front sections. Color screens were used in all sections. The font for the folio tabs helped carry the theme throughout the book.
